RECENT ADVANCES IN INTELLIGENT COMPUTATIONAL SYSTEMS

About RAICS

IEEE RAICS 2024, is the sixth installment of the International Conference on Recent Advances in Intelligent Computational Systems, the flagship conference of **IEEE Kerala Section** hosted this year by **Mar Athanasius College of Engineering**. The conference focuses on cutting-edge developments in intelligent computation and its broad applications across various technology domains.

Date : 16-18 May, 2024

**Venue : Mar Athanasius College of Engineering,
Kothamangalam, Kerala, India**

**Theme : Intelligent Computational Systems for
Humanity**

The selection of this theme and the conference tracks is a result of aligning with the shared interests of multiple IEEE societies, staying in tune with prevailing industry dynamics, and staying at the forefront of the latest advancements in the field of intelligent computational systems.

In addition to the nine technical tracks, the conference will feature virtual keynote presentations by esteemed speakers and panel sessions, fostering engagement and collaboration among emerging researchers, students, educators, and engineers.
